Young Associate Choreographer Guidance Notes for Applicants

- All applicants applying for the Associate Choreographer role must be under 25 and be able to demonstrate they have an appropriate level of dance / choreographic training and/or experience.
- We recognise that you can be an emerging choreographer at any age, however there are specific reasons why we have this age restriction in place in order to keep true to the nature of this project.
- Applicants must be UK or EU citizens and residing in the UK.
- Due to the expected number of applicants, feedback can only be provided to those shortlisted applicants.
- A willingness to travel around the UK is essential.
- This is a paid position.
