

NEW/ADVENTURES

Young Associate Set & Costume Designer Guidance Notes for Applicants

- All applicants applying for the Associate Set & Costume Designer role must have had three years vocational training in theatre design, have graduated no more than three years ago and be under the age of 30.
- We recognise that you can be an emerging Set & Costume Designer at any age, however there are specific reasons why we have this age restriction in place in order to keep true to the nature of this project.
- Some experience of model making and technical drawing is desirable.
- Please submit examples of your work that include examples of your model making and drawing skills.
- When sending examples of your portfolio please send this along with your application form as PDF no more than 10mb in size.
- Applicants must be UK or EU citizens and residing in the UK.
- Due to the expected number of applicants, feedback can only be provided to those shortlisted applicants.
- A willingness to travel around the UK is essential.
- This is a paid position.
